Who is Preton energy?

Preton Energy Ltd is an oil field engineering services company that is into various oil and gas services being focus on Tank/Vessel Cleaning, Installation and Facility Upgrade, Pipeline/Structural system, Fabrications and other related engineering operation in a manifold that enhances quality service delivery. OUR MISSION

What is the Barbados national energy policy (BNEP)?

This Barbados National Energy Policy (BNEP) document is designed to achieve the 100% renewable energy and carbon neutral island- state transformational goals by 2030. These include: Provision of reliable, safe, affordable, sustainable, modern and climate friendly energy services to all residents and visitors.

Who are the major energy companies in Barbados?

BL&P ( Barbados Light & Power Company) is responsible for electrical generation and transmission. The BNOCL ( Barbados National Oil Company Limited) is responsible for the exploration and production of hydrocarbons in Barbados. Integrated Sustainability and Williams Solar are notable energy companies.

Who is responsible for energy generation in Barbados?

MEWR ( Ministry of Energy and Water Resources) is responsible for energy generation in Barbados. The Ministry of Environment and National Beautification oversees environmental protection through permitting. The Project Monitoring & Coordination Team ensures energy projects align with the BNEP 2019-2030.

Does Barbados need a BNEP?

The BNEP provides a basis for building on these successes while seeking to expand the use of these and other renewable energy technologies such as wind and biofuels. However, even as Barbados promotes the development of renewable energy, there are ongoing plans to explore for fossil fuel resources offshore.

Why should Barbados invest in the energy sector?

The energy sector in Barbados should be invested in to foster development, promote energy security, reliability, affordability, and establish and maintain a sustainable sector. This can be achieved through innovation and workable partnerships which promote a strong economy and a healthy environment.
