Who is Xiamen mibet energy?

Xiamen Mibet Energy Co.,Ltd,a high-tech enterprisewith advancing patented technology and high-efficiency service,specializes in researching and developing,manufacturing,selling solar energy products and devotes itself to offering the most reliable and economical solar PV mounting system solutions.

Where are mibet solar mounting bracket systems used?

From the eastern China to the northwest,from China to the Asia Pacific region,and then to Europe and America,Our solar mounting bracket Systems have been all over the world. Mibet excellent prodcut quality and services has been widely recognized by costomers globally,which bring long-term and stable partnership.

What solar mounting systems did mibetsolar display at Booth K131?

Mibetsolar featured a range of solar mounting systems at booth K131, offering project solutions for various application scenarios. Our display of mounting brackets and systems includes floating solar systems (G5M), ground-mounted systems (GT7), solar carports, and brackets, hooks, and clamps suitable for different roof types.

What types of mounting brackets & systems does mibet offer?

Our display of mounting brackets and systems includes floating solar systems (G5M), ground-mounted systems (GT7), solar carports, and brackets, hooks, and clamps suitable for different roof types. Mibet is committed to supporting the growth of the Australian solar market.

What types of high-tech products does mibet offer?

MIBET is committed to offering a wide variety of high-tech products such as ground mounting system, carport PV system, agriculture PV mounting system, roof mounting system, floating PV system and tracking PV system, which have been certified by AS/NZS1170, TUV, MCS, UL and SGS.

Where is mibet located?

Adresse: Nr. 45 Sushan Road,Jimei District,Xiamen,China. © 2024 Mibet Energy All rights reserved. Mibet is the world's leading manufacturer of solar PV mounting systems,and we continue to take a leading position in structural design and system performance in the industry.

Focusing on engineering design, manufacturing and supplying mounting system for rooftop, ground mount, floating PV installations, Mibet Energy is committed to producing high-grade steel, anodized aluminum and HDPE floaters, aiming to build reliable, constant quality, progressive installations of the highest quality, flexible within clients ...

Xiamen Mibet New Energy Co., Ltd, a high-tech enterprise with a number of patented technologies and efficient services, specializes in researching and developing, manufacturing, and selling solar energy products.
