

Bermuda become solar panel distributor

BE Solar provides a range of services including products (such as pool pumps, LEDs and hot water heaters), solar photovoltaic electric panels, solar thermal hot water, EV charging stations and energy storage solutions.

Our experienced team designs a customized solar solution that aligns with your energy requirements and budget. We offer a range of solar products, including Solar Power Generators, Direct Current Refrigerators, Direct Current Water Pumps, Portable Solar Panels, Fixed Solar Panels, and Sun Tracking Solar Panel mounts.

That is why we are looking for top-tier Distributor Partners to solve the global energy access problems together. Sounds like you would fit the role? Feel free to reach us in the form below.

Sunny Side Solar believes the scientific evidence that climate change is the most serious threat of our time. Therefore, we are dedicated to making Bermuda more resilient by taking positive action to diversify the energy supply. The best opportunity for this, after energy efficiency and conservation, is installing solar.

At BE Solar, our collective expertise spans from engineering and accounting to design, electrical, solar and technological installation and support. Our team holds a variety of degrees, certifications and designations in the renewable energy industry and we are constantly enhancing our technical knowledge and skills.

BE Solar offers the best in solar electricity systems for Bermuda's harsh climate. We carry modular, completely interated systems that are designed to expand with your growing needs or repair and replace over time.

Solar distributors become long-term partners of solar manufacturing companies and even solar contractors. They are not only serving as warehouse facilities but partners that also provide strategic solutions to help solar companies achieve their desired outcomes.

We specialize in solar panels, batteries, ev chargers and system maintenance. Inquire for a custom solution and quote today! Power up your Bermudian paradise with BE Solar: Bermuda's leading energy solutions provider, empowers you to embrace clean, sustainable power.

By partnering with Maxeon as their exclusive dealer in Bermuda, AES is the only solar company on island equipped to install the world's most durable and efficient panels. Our partnership with Maxeon allows us to maximizing savings and the return on investment for our customers.
