Two international consortiums plan to invest a total of EUR 160 million in two solar power plants in the municipality of Sokolac in Bosnia and Herzegovina (BiH). At the same time, the Central Bosnia Canton has invited bids for a concession for two photovoltaic power plants in the municipality of Bugojno.

In general, there is a good potential in Bosnia for the production of electricity from RES, including PV panels. According to data collected from PVGIS yearly PV energy production in Bosnia from 1kWp installed power could be anywhere between 1100 up to 1520 kWh depending on exact location and the observed period of data.

Bosnia and Herzegovina's southern region is primed for "huge" utility-scale solar development, Assistant Professor Farooq Sher tells pv magazine. He came to this recent conclusion after two...

Solar energy is a promising sector in Bosnia and Herzegovina, with huge untapped potential. While the sector faces numerous challenges, the recent regulatory improvements coupled with the country's abundant sunlight resources create a favorable environment for investment.

This paper describes the current state of photovoltaic plants (PV) in Bosnia and Herzegovina (B& H). It describes the ongoing trends in this domain and the o

With around 60% of the land area, Bosnia and Herzegovina could have between 1.2 and 1.4 MWh/kWp of photovoltaic capacity compared to the world's solar potential. Compared to B& H and other Balkan countries, Serbia has a great potential for ...

IRENA's report found that if Bosnia and Herzegovina complied with EU legislation - underpinned by the major target of 42.5% of renewable energy generation by 2030 - as a member state there ...

Explore Bosnia and Herzegovina solar panel manufacturing landscape through detailed market analysis, production statistics, and industry insights. Comprehensive data on capacity, costs, and growth.

The government of the Federation of Bosnia and Herzegovina's Canton 10 has signed concession agreements for the construction of two utility-scale solar projects, which will rank among the ...

Bosnia and Herzegovina solar panel making
