

FRIEM, leader globale nei convertitori di energia dal 1950, offre soluzioni sostenibili per la transizione energetica e l'idrogeno verde. Da oltre 70 anni, Friem è tra i leader mondiali nella produzione di convertitori di energia.

The FRIEM S.p.A. annual revenue was \$27.8 million in 2024. Who is the Chief Financial Officer and Human resource Director of FRIEM S.p.A.? Fabrizio Carnelli is the Chief Financial Officer and Human resource Director of FRIEM S.p.A..

Thanks to the huge experience in Solar PV field and Industrial Automation, FRIEM's solution is able to integrate multiple sources and manage the Energy supplied to the Loads, optimising the reliability, availability and profitability of the Mini-grid.

Thanks to the huge experience in Solar PV field and Industrial Automation, FRIEM's solution is able to integrate multiple sources and manage the Energy supplied to the Loads, optimising ...

Founded in 1950 to design and build high power current converters, FRIEM has developed its experience in energy conversion for Industrial, Railway and Renewable Energy applications. The continuity of service and the high level of quality required by the applications of the electrochemical industry, led FRIEM to seek the absolute reliability of ...

Friem S.p.A. Founded in 1950 to design and manufacture high power converters, FRIEM continued to develop its know-how in energy conversion for industrial, energy and mobility applications. With continuous investments in research and development, FRIEM is a worldwide leader in IGBT, thyristors or diode type high power converters, applying the ...
