

Convex energy Bermuda

Who is convex insurance?

Convex occupies a unique position in the insurance industry, combining unrivalled experience, reputation and a legacy free balance sheet. We offer international specialty insurance and reinsurance, along with digital risk management solutions, through our operations in Bermuda, London, Europe and the US. Standard & Poors, outlook Positive.

Where is convex energy located?

While our international branches are located in the business and financial hotspots of London and Amsterdam, you'll find our BerlinHQ at the beating heart of the energy industry. No matter where our people are, they have access to best-in-class equipment. Education, learning and development lie at the core of Convex Energy.

What makes convex energy successful?

Our success hinges on people. At Convex Energy, we embody curiosity, critical-thinking and collaboration, approaching each trade and line of code with passion, fun and dedication. It is in our DNA to keep going the extra mile to ensure that every detail is perfect.

What makes convex a great company?

We believe in people's potential and see the talent behind the obvious. One of Convex's core principles is guiding our people toward their sphere of interest and staying committed to their growth. We take responsibility for our people's mental and physical well-being and create an environment for success.

What are convex's core principles?

One of Convex's core principles is guiding our people toward their sphere of interest and staying committed to their growth. We take responsibility for our people's mental and physical well-being and create an environment for success. Quid pro quo, we expect our employees to take ownership of their performance and stay success-oriented.
