What can CSA Group Taiwan do for You?

With the latest expansion, the CSA Group Taiwan laboratory will be able to provide IT/AV and power tool testing and certification services to our customers," said Claudia Chan, Vice President of North and Southeast Asia of CSA Group.

Is China affecting Taiwan's long-term energy security?

This dependency on foreign energy, particularly in a region where China's influence is expanding, raises concerns about Taiwan's long-term energy security. Geopolitical tensions could disrupt supply chains, driving up costs and exacerbating energy shortages, potentially hampering Taiwan's critical industries.

Is Taiwan's energy supply vulnerable to external disruption?

the island's energy supply vulnerable to external disruption. The value of energy imports in 2021 stood at US\$47.56 billion, which was approximately 62% more than that in previous year. Taiwan's oil imports increased by 75.6% to US\$11.9 billion in the first five months of 2022 compared to the s

Why are AI and semiconductor industries important to Taiwan's Economic Development?

These sectors are not only vital to Taiwan's economic development, but also characterized by their energy-intensive nature. As AI and semiconductor industries rapidly expand in Taiwan, concerns about the sufficiency of the nation's power supply are becoming increasingly critical.

Why does Taiwan have a high energy consumption?

marily driven by the economic growth and industrial development. The total energy consumption in Taiwan increased from 65.89 million KLOE in 2001 to 89.36 million KLOE in 2021. Its electricity consumption per capita is three times higher than the average for Asia, with more

Why is Taiwan a leader in semiconductor manufacturing?

ub and one of the world's largest producers of semiconductors. To retain its manufacturing dominance, and to support future development, the Taiwanese government has embarked on a number of initiatives to increase the overall electricity supply, shore up resilience, and shift to less carbon-intensive sources
