Why did Cuba inaugurate a solar park in Cotorro?

On February 21, Cuba inaugurated a solar park in Cotorro, outside the capital, in a ceremony that included China's ambassador to Havana, Hua Xin and Cuban President Miguel Diaz-Canel, who lauded the project in a statement as a "collaboration from our sister Republic China."

What is Cubasolar?

CubaSolar,officially the Cuban Society for the Promotion of Renewable Energy Sources and Environmental Respect(Spanish: Sociedad Cubana para la Promoci#243;n de las Energ#237;as Renovables y el Respeto Ambiental),is a Cuban non-governmental organization established in 1994. It promotes the use of renewable energy technology.

How many MW will China's new energy projects save Cuba?

New Chinese-funded projects alone are expected to push that figure over 1,100 MWby the end of the year,according to official estimates,nearly covering the daytime shortfall and saving Cuba precious fuel to burn at night.

Will China modernize Cuba's electrical grid?

Officials at the February event announced China was participating in a project to modernize Cuba's entire electrical grid,with 55 solar parks to be built in 2025,and another 37 by 2028,for a total of 2,000 MW - a massive undertaking that,when complete,would represent nearly two-thirds of present-day demand.

Will China help Cuba salvage its economy?

A Reuters review of various sites on the ground suggests that where many of Russia's most recent promises have fizzled, China has discreetly stepped up to fill the void, pushing ahead with a number of critically-timed projects aimed at helping Cuba salvage its economy.

Why does Cuba need help?

Cuba is in desperate need of help. Shortages of food, fuel and medicine, grueling hours-long blackouts and plunging tourism and exports - combined with renewed U.S. sanctions under the second Trump administration - have devastated its economy.

The Smart Container Alliance unites industry leaders to enhance cargo traceability and support global enforcement agencies.

Over the past decade, the industry has seen three main shipping alliances account for 80% of the shipping market. Get the latest updates here.
