

Dale power solution Barbados

Who are Dale Power Solutions?

Dale Power Solutions is one of the UK's largest suppliers of uninterruptible power supplies (UPS) and emergency backup generators. We offer a wide range of commercial and industrial power supply products to suit a variety of industries.

Who are Erskine & Dale Power Solutions?

Our Erskine brand AC and DC secure power systems serve the most demanding markets. We offer a range of services, including support for all your diesel generators, gas turbines and DC UPS systems. Dale Power Solutions supplies secure power solutions to all major UK and international market sectors.

Why should you choose Dale Power Solutions?

From start to finish, Dale Power Solutions can provide its customers with the complete secure power solution. Having over 100 UK service personnel ensures that we can quickly respond to any call out both onshore and offshore on a 24/7 basis.

What equipment does Dale supply & maintain?

At Dale, we supply and maintain an extensive range of uninterruptible power supplies (UPS), commercial and industrial generators, and energy storage systems. We're busy gearing up for one of our most anticipated events in the exhibition calendar.
