

Ekt battery Portugal

Who is EKT batteries?

EKT is a leading lithium battery manufacturer for solution providers, original equipment manufacturers, and end users. Our over 10 years of experience and expertise in lithium batteries means we have the experience needed to manufacture quality batteries. We back all our products with a comprehensive service guarantee.

Who is EKT (EIKTO) lithium battery?

We Power Your Business ! EKT (EIKTO) Lithium battery is world's largest manufacturer of Lithium Battery for Material Handling Equipment. We are the official supplier of top OEMs, also, is a pioneer to bring a cost-effective Lithium battery solution for global market. Our product ranges from 24V, 36V, 48V, 72V until 80V.

What makes EKT a good battery company?

EKT has a state-of-the-art manufacturing facility and R&D center to ensure that our lithium batteries, lithium battery modules, and lithium battery systems are always of the highest quality during development, manufacturing, and testing.

What is EIKTO lithium battery management system?

EIKTO lithium batteries are equipped with an intelligent battery management system that monitors the battery status in real-time, such as voltage, current, and temperature and takes action in abnormal situations, such as disconnecting the circuit or issuing an alarm to protect the battery and equipment.

Who is EKT traction lithium-ion battery?

EKT is the only traction lithium-ion battery industry supplier that provides end-to-end solutions, from cells to modules to complete systems. We have more than 600 experienced engineers, product developers, and technicians dedicated to manufacturing high-safety standards and reliable products for our customers.

Who is EIKTO?

EIKTO is a leading forklift battery supplier, supplying high-quality batteries for all brands of modern electric forklifts.

EKT is a lithium-ion battery specialist, we manufacture battery solutions for all models of forklifts, offering customization to suit your forklift, application and budget. Custom options we offer include battery pack integration, battery management systems, and more.

EKT is one of the leading forklift battery manufacturers. We provide high-quality forklift batteries and top service. The 80V lithium forklift battery is ideal for heavy-duty forklift use and can quickly charge when needed. They also have a high ...
