EM-ONE Energy Solutions | 17,382 followers on LinkedIn. Transforming aging power infrastructure in Africa into decentralized, decarbonized and digitalized energy systems. | EM-ONE is an...

We pioneer innovative projects that leverage cost-efficient and disruptive technologies to accelerate the energy transition in Africa. We are currently focused on expanding our impact across three main areas.

EM-ONE is an engineering and technology firm focused on accelerating the sustainable energy transition in Africa. We leverage over a decade of experience providing end-to-end solutions in distributed energy systems (microgrids and large-scale PV systems for utilities, C& I and remote applications), smart electricity infrastructure, and powering ...
