

18th Uzbekistan International Energy Exhibition and Conference Dates: Tuesday, May 13, 2025 - Thursday, May 15, 2025 Venue: CAEx Uzbekistan, Tashkent, Uzbekistan

Uzbekistan, October 29th, 2024-The industry-leading lithium-ion battery and electrical system provider-BASENGREEN, participates in the UZ Energy Expo 2024 held from 29th-30th Oct and present its LiFePO₄ Energy Storage Solution to explore more about renewable energy. BASENGREEN 12V/24V LiFePO₄ Batteries are ideal for small home appliance power backup. ...

Uzbekistan is in line for its first grid-scale battery energy storage project as it seeks to stabilize and strengthen its existing electricity grids and ramp up the uptake of renewable...

Leaders in the industry, associations, unions, and providers of continuous and renewable solar energy will highlight the value of solar energy at Solar Expo Uzbekistan, the only and first specialized International Solar Energy and Technologies Fair in Central Asia, during concurrent conferences.

The exhibition UzEnergyExpo is an important business event for the energy market of Uzbekistan, a kind of “indicator” of the industry. Each year the exhibition UzEnergyExpo, specialized industry experts, oil, engineering, ...

The BATTERY EXPO UZBEKISTAN Sep. 2024 is recognized as an essential event for those involved in the battery and energy storage sectors. An ideal environment for networking and business development is being created, where exhibitors can connect with potential partners and clients.

Saudi Arabian developer ACWA Power has signed a binding implementation agreement with the Ministry of Energy (MoE) of Uzbekistan to develop up to 2 GWh of standalone battery energy storage system (BESS) capacity across the country.

This year, Uzbekistan plans to commission its first 300 megawatts of storage capacity. Overall, by 2030, the country will deploy 4.2 gigawatts of energy storage systems, primarily based on lithium-ion batteries. Additionally, projects for constructing pumped storage power plants are planned.

The exhibition UzEnergyExpo is an important business event for the energy market of Uzbekistan, a kind of “indicator” of the industry. Each year the exhibition UzEnergyExpo, specialized industry experts, oil, engineering, construction, installation companies, utilities and public facilities can examine all the offers of the market, compare ...
