At Solar Ethiopia, we are passionate about bringing the transformative power of solar energy to homes and businesses across Ethiopia. Based in Addis Ababa, we are the sole importer and distributor of Microtek products in the country, offering a comprehensive range of high-quality solar solutions designed to meet your specific needs.

We sell 120 watt and 240 watt solar panels, deep-cycle batteries, cables, fuses, solar charge controllers (MPPT and PWM), and anything else needed to create an off-grid, mobile and/or backup power system. These are the products necessary for achieving energy independence, and AIMS Power promises to provide that at the lowest cost possible

G-Power Solar Panels convert sunlight into electricity through photovoltaic cells. This clean and sustainable energy source is then stored in high-capacity batteries for use whenever you need it. The system is designed for easy installation and low maintenance, providing a hassle-free experience for our users.
