

IGET seeks to replicate to the extent reasonably possible and before fees and expenses, the performance of the Morningstar Global Energy Transition Index, or any successor thereto, on an unhedged basis, in the case of any unhedged units, or on a hedged basis, in the case of any hedged units.

The federal Gas Tax Fund (GTF) is much more than another infrastructure program. It is a permanent federal transfer that provides predictable, long-term funding for municipalities to build and revitalize public infrastructure--our roads and bridges as well as water, energy, public transit and solid waste management systems.

GTF Power LLC has 1 locations, listed below. *This company may be headquartered in or have additional locations in another country. Please click on the country abbreviation in the search box below ...

Buying clean energy ETFs in Canada is as simple as buying an asset from your brokerage. Like buying any stock, investing in a clean energy ETF is as easy as searching for the ticker symbol and hitting the buy option at the market price. Questrade. Questrade is the best discount broker in Canada. Like Wealthsimple, this trading platform also ...

If you are looking to invest in the energy sector, a sector-specific ETF is an excellent option to consider. Within Canada, roughly 20% of energy comes from burning fossil fuels. Although this is expected to decrease going forward, non-renewable energy is still critical to a functioning society here in Canada.

Economic Action Plan 2013, through which the Government of Canada announced a renewed GTF which included the indexation of the gas tax funding at two per cent per year, with increases to be applied in \$100 million increments (confirmed through section 161 of the Keeping Canada's Economy and Jobs Growing Act, S.C. 2011, c. 24 as amended by ...

Section 161 of the Keeping Canada's Economy and Jobs Growing Act, S.C. 2011, c. 24, under which the Government of Canada makes up to \$2 billion per year available for allocation by the Government of Canada for the purpose of municipal, regional and First Nations infrastructure starting in 2014-2015;
