

Guinea-Bissaumodity energy trading ab

Who is modity?

Modity is a leading player in the Nordic energy market with extensive experience in trading electricity, gas, biogas, and environmental products. With our complete and sustainable energy offering, we help energy companies, producers, and industrial customers manage risks while promoting a sustainable energy transition.

How can modity help your energy business?

Modity helps you, as a producer of renewable energy, wind and solar, to actively develop and optimize your sustainable business by maximizing revenue streams and minimizing risks. To limit human impact on the climate, the energy industry is transitioning at an unprecedented scale and pace.

What makes modity a sustainable company?

At Modity, sustainability is central. We strive for a better future by focusing on human rights, working conditions, environmental responsibility, and anti-corruption efforts. This work encompasses the entire value chain to ensure a positive impact on society and the environment.
