When will Intersolar & Heckert solar be available in Munich?

After almost three years of Corona break, an Intersolar with Heckert Solar took place again in Munich from 11-13 May 2022. The response was great. In addition to our Symphon-E home storage system, the new NeMo 4.1 half-cell module for medium to large PV systems, which will be available from August 2022, could also be looked at.

Does Heckert solar offer a home storage system?

With the integrated, backup power capable home storage system Symphon-E, Heckert Solar offers its own storage system for the first time. The modular complete system impresses above all with its technical maturity and ready-for-future ability. It perfectly rounds off the existing product range of Heckert Solar.
