Wie wir das machen? Mit unseren einzigartigen Solarfolien - basierend auf der nächsten aller Solartechnologien: der organischen Photovoltaik. Und mit ganz viel Leidenschaft, Wagemut und Innovationsgeist!

Heliatek produziert flexible, effiziente und wirklich grüne organische Solarfolien für Gebäude. Stolz als eines der innovativsten Unternehmen der Welt ausgezeichnet.

Heliatek stands for innovative solar films that transform buildings all over the world into clean energy generators. We set the highest standards for the quality of our products and the sustainability of our actions.

Heliatek is a provider of organic photovoltaics (OPV) based on small molecules and working to shape a sustainable solar future. At the moment, Heliatek is making the transition from pure technology development to industrial manufacture. Their goal is to soon mass-produce organic photovoltaic panels using a deployable roll-to-roll process.

Heliatek GmbH, Dresden, Germany. 2,045 likes · 1 talking about this · 74 were here. Willkommen bei Heliatek. Wir sind der Technologieführer im Bereich der organischen Photovoltaik.

What is the size of Heliatek? Heliatek has 100 total employees. What industry is Heliatek in? Heliatek's primary industry is Alternative Energy Equipment. Is Heliatek a private or public company?
