

Electrical engineering knowledge on the setting-up, functioning, circuitry and installation and systems technology of photovoltaic systems can be conveyed. It is suitable for demonstrations accompanying lessons as well as for use in practice for trials.

IKS Photovoltaik GmbH operates at an international level in the renewable energies sector. We specialise in the development, manufacture and sale of training and experiment systems for

The Solar for Samoa PV project is situated over two locations; Faleata Racecourse (1.4MW AC) is located in the capital city of Apia, while Faeolo International Airport (2.1MW AC) is located approximately 40 kilometres west of Apia.

The Solar for Samoa PV project is situated over two locations; Faleata Racecourse (1.4MW AC) is located in the capital city of Apia, while Faeolo International Airport (2.1MW AC) is located ...

IKS Photovoltaik GmbH operates at an international level in the renewable energies sector. We specialise in the development, manufacture and sale of training and experiment systems for photovoltaics and wind energy.

1200,00 Euro BAFA F&#246;rderung f&#252;r PV-Anzeigesystem VisiKid Das Bundesamt f&#252;r Wirtschaft und Ausfuhrkontrolle (BAFA) f&#246;rdert auch in 2015 wieder Visualisierungsma&#223;nahmen zur Nutzung... &#187; Weiterlesen

IKS Photovoltaik is an international company in the field of renewable energies. It&#180;s specializing in teaching and experimental systems for schools as well as for vocational training and further &#215;

IKS Photovoltaik GmbH operates at an international level in the renewable energies sector. We specialise in the development, manufacture and sale of training and experiment systems for photovoltaics, wind energy, hydrogen/fuel cell technology and energy efficiency.

IKS Photovoltaik GmbH operates at an international level in the renewable energies sector. We specialise in the development, manufacture and sale of training and experiment systems for ...

Its physical properties are almost identical to those of an equivalent PV generator. Its simple and compact, yet precise form make it ideal for use in land and building surveying. Its design ...
