Illuminate USA is an American advanced manufacturing company. We are committed to developing renewable energy solutions through cutting-edge solar panel technology, sustainable practices and a dynamic workforce.

In March of 2023, One Columbus and Jobs Ohio issued a press release, announcing "Leading American Solar Developer Brings Landmark Manufacturing Facility to Ohio," to be located "approximately 20 miles east of Columbus." The tenant of this facility would be "Illuminate USA." A nice American sounding company, right?

Illuminate USA will expand the U.S. solar ecosystem across the supply chain - from glass to wood pallets - creating an even greater positive impact in our communities. Our work serves ...

Illuminate USA will expand the U.S. solar ecosystem across the supply chain - from glass to wood pallets - creating an even greater positive impact in our communities. Our work serves as an early step towards improving the onshoring process, creating advancing manufacturing jobs and enhancing capacity in our country.
