LICITTI 12V/48V DC/AC Lifepo4 battery power system integrated solar energy storage solution, suitable for marine, RV, caravan, motor home, utility vehicle. Premium 12V Power System DC/AC Power System

I have a 1000W Licitti box. I'm wondering if there is a setting for the battery type on the charge controller and how to set it? Also, I got the app from apple store and it always just shows "Bluetooth device information has not been found yet!"

Licitti 12v Charging Systems Multiport Battery Box. Free Delivery Available. Hassle-Free Exchanges & Returns for 30 Days. 12-Month Limited Warranty. Many ways to pay. Shop anything you can imagine!

New generation battery box with advanced design. High strength nylon fiber combined with aluminum; Alloy creates a unique product, to meet a various of customized requirements. Pre-wired all parts and connections with design of plug & play setup, making it easy to install and use without any electrical expertise.

The Licitti adds very little weight to the battery, so this is about as light and portable as a 1200 watt-hour solar generator is ever going to be. But the main reason I like it so much (other than the super-good price!) is that it's designed for how I actually want to use a portable power station in the real world.
