

Lumina solar French Southern Territories

Who is Lumina solar?

Lumina Solar launched in 2018 in Baltimore and has a leading team that has over 150 years of experience in the solar industry combined. They currently offer their solar panels in three states: MD,VA,PA,and Washington D.C. The company provides three services,which are more than the industry standard and offers extensive warranties.

What incentives does Lumina solar offer?

This means that Lumina Solar handles the finance, installation, permit, and design, so you can relish in saving up to 30% on your utility bills. These three PPAs include long-term maintenance, warranty, and a reduced carbon footprint. Here are the incentives you can receive in each U.S. state Lumina Solar provides services in.

Does Lumina solar have a warranty?

Lumina Solar provides the industry-standard warranty,which includes 25 years on their solar panels and 25 years on their inverters. Additionally,the Tesla Powerwall has a 10-year warranty. This solar provider also offers a 10-year workmanship warranty on each of their installations and offers a Solarinsure 30-year extended warranty.
