

Marshall Islands hive energy ltd

Hive Energy is one of the UK's leading renewable energy developers. We harvest the power of the sun, wind, and water to create successful solar, wind, and green hydrogen projects around the globe. ? Hive Energy was founded in 2011 by Giles Redpath to participate in the significant solar PV expansion in the UK.

Hive Energy is a ground-breaking developer and supplier of green energy to the UK. The business secured planning permission for the UK's first solar NSIP in 2020 and, since then, has been growing, learning, and developing a stream of new and innovative technologies to fight climate change.
