

Maru systems Tuvalu

Who is Maru systems?

Maru Systems started in 2007 as an installation company. Maru Systems is an innovative and dynamic company from the Zuidoostbeemster (Noord-Holland) that specializes in energy saving and energy technology. Functional sustainability is at the core of Maru Systems' business philosophy.

Who is Maru group?

Maru Group comprises three businesses: Maru Solar, Maru Greentech and Maru Innovations. Together we are fulfilling the growing demand for green electricity, with innovation being our mainspring. Maru Solar has been specialising in bespoke solar power systems for the consumer and commercial markets since 2007.

Who is Maru solar?

Maru Solar has been specialising in bespoke solar power systems for the consumer and commercial markets since 2007. Solar panels are now an indispensable part of our society. It goes without saying that you can buy solar panels from Maru Solar.

Who are Maru solar & Maru GreenTech?

Together Maru Solar, Maru Greentech and Maru Innovations make up MARU. Nonetheless, MARU's history goes back to 2008, when the focus was still on installation work and fitting solar panels. Maru Group's focus is long-term, with growth being driven by innovation and creating value for the market.

Who is Maru innovations?

Maru Innovations is the innovative entity within our group, focusing on improvement and development. We keep developing existing hybrid technology and devising new energy concepts. CO2 reduction is our point of departure, though we also consider practical utilisability and user-friendliness.

Why should you choose Maru solar?

Together we are fulfilling the growing demand for green electricity, with innovation being our mainspring. Maru Solar has been specialising in bespoke solar power systems for the consumer and commercial markets since 2007. Solar panels are now an indispensable part of our society.
