MEDITOR ENERGY LIMITED - Free company information from Companies House including registered office address, filing history, accounts, annual return, officers, charges, business activity

Meditor Energy Limited agreed to acquire substantially all assets of Intelligent Energy Holdings Plc (LSE:IEH) for £19.5 million on October 25, 2017. The sale includes Intelligent Energy Limited which after reorganization, has under it, all other subsidiaries of Intelligent Energy Holdings plc and remaining business and assets of Intelligent ...

MEDITOR ENERGY LIMITED - Free company information from Companies House including registered office address, filing history, accounts, annual return, officers, charges, business...

Intelligent Energy provided the Met with a zero-emission fuel cell power for Suzuki Burgman Fuel Cell scooters, and the 18-month trial is said to be "progressing well".

San Marino has installed over 4,200 private solar systems in the past 15 years, making it a global leader in solar energy production. These solar systems generate 5% of the country's energy, boosting sustainability and energy independence.

It has now decided to sell subsidiary Intelligent Energy Limited to its largest stakeholder, Meditor Energy, and has reorganised the business to place all other subsidiaries of IEH plc under...
