

Mibet solar america inc France

What is Mibet Energy?

Mibet Energy is a company dedicated to offering the first-class solar pv mounting system solution around the world. It has earned a high reputation from its clients, with its reliable and economical solar pv mounting system sold to more than 100 countries and regions.

Who is Xiamen mibet energy?

Xiamen Mibet Energy Co., Ltd, a high-tech enterprise with advancing patented technology and high-efficiency service, specializes in researching and developing, manufacturing, selling solar energy products and devotes itself to offering the most reliable and economical solar PV mounting system solutions.

Where is mibet located?

Adresse: Nr. 45 Sushan Road, Jimei District, Xiamen, China. © 2024 Mibet Energy All rights reserved. Mibet is the world's leading manufacturer of solar PV mounting systems, and we continue to take a leading position in structural design and system performance in the industry.

Where are mibet solar mounting bracket systems used?

From the eastern China to the northwest, from China to the Asia Pacific region, and then to Europe and America, our solar mounting bracket systems have been all over the world. Mibet excellent product quality and services has been widely recognized by customers globally, which bring long-term and stable partnership.

What products does mibet offer?

Mibet has a series of high-tech products, including Ground mounting system, Carport system, Agricultural greenhouse mounting system, Rooftop mounting system, MRac floating system, MRac distribution system, etc.

How many products are patented by mibet?

To date, over 190 different products and technologies in Mibet have been patented, establishing the company as an industry leader. The products patented include waterproof solar carports, mounting systems, connectors, support bases, angle-adjustable installation systems, floating systems and rails.

With its independent intellectual property, Mibet Energy devotes itself to offer the first-class solar pv mounting system solution around the world. Its reliable and economical solar pv mounting system has been sold to more than 100 countries and regions, and Mibet Energy has earned a high reputation from its clients.

Mibet Energy est un fabricant de produits d'énergie solaire. Nous avons une large gamme de systèmes de montage solaires sur toit plat montés au sol pour votre choix. +86- 0592-3754999
