

Midsummer wholesale New Zealand

Who is Midsummer?

Welcome to Midsummer! We are an award-winning UK renewables wholesaler, based in Cambridge and Glasgow. Whatever your renewable energy project, we've got you covered! We stock leading brands of all components to make up complete kits for solar PV and heat pump installations. Have a browse of our website to see our full range and stock availability.

Where can I find Midsummer Suppliers?

Midsummer Suppliers can be found near bonfires in alliance capital cities. Note that they can be aggroed and hit, but they cannot be killed, stopping at 1% health. It may be best to avoid them while stealing flames.

What bespoke software does Midsummer offer?

Midsummer's bespoke software, Easy PV, has been developed to help solar installers master the complex process of project design, optimisation of solar energy set-up and one-step full kit purchase. For heat installers, our Heatpünk software provides cutting-edge cloud-based solutions for designing and specifying all elements of a heat pump install.

Who is Midsummer solar?

CRC Electrical and renewables have been using Midsummer for a number of years and have always found the range of products second to none. It's a one top stop for all things solar and the perfect supplier to use if you want to build a successful solar business.

Is Midsummer a good company?

It is hard to find honest hard working people and Penny is definitely one of them. She is the definition of world class customer service and is a great asset to Midsummer. All in all, this is a fantastic company to work with, and I could not recommend them enough. Date of experience: February 22, 2024 Have been a customer of Midsummer for...

Where is Tom from midsummer now?

Tom recently rejoined Midsummer having spent the last 2 years in New Zealand, working as the Procurement and Warehouse Manager for one of the country's leading solar installation companies. Before travelling Down Under Tom originally came to Midsummer as one of the first trainees on the Midsummer graduate scheme.
