Namibia I

Namibia, a large and sparsely populated country on Africa's south-west coast, has enjoyed stability since gaining independence in 1990 after a long struggle against rule by South Africa.

The history of Namibia has passed through several distinct stages from being colonised in the late nineteenth century to Namibia's independence on 21 March 1990.. From 1884, Namibia was a German colony: German South West Africa. After the First World War, the League of Nations gave South Africa a mandate to administer the territory. Following World War II, the League of ...

Entre prop de 50 a 160 km cap a l'interior, una llarga cinglera cau paral·lament a la plana litoral del Namib partint de les terres altes de l'interior (inclinades suaument vers la depressió del Kalahari) nord a sud, hom distingeix tres zones ...

Explore Namibia: What you need to know about Namibia A country of many different landscapes, from rusty colored dunes and vast gravel plains, to the waves of the Atlantic Ocean and the lush green oasis of the Zambezi region. It ...

3 · Namibia's soils range from barren sand and rock to low-quality sand-dominated to relatively fertile soils. The best soils are in the north, in the Otavi Mountains, in parts of the central and southern portions of the plateau, and in the Caprivi Strip. Water--not soil fertility--is the primary constraint on agriculture. Both in the densely populated Ovambo region in the north ...

3 · Namibia, country located on the southwestern coast of Africa. It is bordered by Angola to the north, Zambia to the northeast, Botswana to the east, South Africa to the southeast and south, and the Atlantic Ocean to the west. It ranges from arid in the north to desert on the coast and in the east.

The Republic of Namibia is a country in southern Africa on the Atlantic coast. It is bordered by Angola and Zambia to the north, Botswana to the east, and South Africa to the south. It does not border Zimbabwe, but it is very close to it.

Windhoek, the capital and largest city, lies nestled within the scenic Khomas Highlands. Namibia shares borders with Angola, Botswana, South Africa, Zambia and Zimbabwe. Its rich cultural heritage, diverse ethnic groups, and stunning landscapes make it an enchanting and unforgettable destination for travelers.
