What is solar & storage Espana?

The Solar & Storage Espana conference program will provide insight into trends and analysis on the strategic developments in the Spanish and Iberian renewable energy markets. In addition to this, attendees can further their education with in-depth seminars and trainings to be offered at the show-floor theatre.

What is solar & storage Espana 2025?

Solar & Storage Espana is the only exhibition and conference dedicated to the growing Spanish and Iberian solar and energy storage markets. The two-day eve. Solar + Storage Espana 2025 is held in Valencia, Spain, from 4/9/2025 to 4/9/2025 in La Ciutat.

What's it like to attend Solar & Storage in Spain?

It was a fantastic event, I'm much more informed about the state of solar and storage in Spain than I was before attending. It is a very good place to sense the state of the art of solar technologies and business. A very interesting event focused on solar and storage, many interesting speakers and a very good location.

We're excited to announce the launch of Solar & Storage Live Espana! Due to the increased demand in Europe, we decided it's time to create another forward-thinking, challenging and exciting renewable energy exhibition that celebrates the technologies at the forefront of the transition to a greener, smarter, more decentralised energy system.
