

Ollandia solar battery North Korea

Hollandia Power is a reliable supplier and integrator of renewable energy products and solutions. Hollandia Power's mission is to provide reliable, long lasting solar solutions. Our professional team includes Electrical Engineers, System Designers, Technicians and other skilled persons, all with a passion for solar and wind energy.

A solar battery is a device that is charged by a connected solar system and stores energy as a backup for consuming later. Users can consume the stored electricity after sundown, during peak energy demands, or during a power outage.

Hollandia Solar offers a wide range of Solar Modules for all kinds Solar batteries We offer Deep Cycle sealed maintenance free, rechargeable, lead acid batteries.

Marque : OLLANDIA. Décharge très lente. Tension d'entrée : 12 V . Reviews There are no reviews yet. Be the first to review "Batterie Solaire 12V-45A/300W - OLLANDIA" Annuler la réponse. Votre adresse e-mail ne sera pas publiée. Les champs obligatoires sont indiqués avec *
