

Seychelles solar system with inverter and battery

Company profile for installer Sun Tech Seychelles - showing the company's contact details and types of installation undertaken.

Company profile for installer Energy Solutions Seychelles - showing the company's contact details and types of installation undertaken.

Battery back-up or off-grid solar PV systems in Seychelles are completely independent of the electricity grid network. Other terms may include stand-alone, battery back-up or hybrid photovoltaic systems. For instance, they are ideal if you want to be independent of the energy producer or live in a remote location/island, such as Seychelles.

The leading provider of solar PV in Seychelles. Founded in 2010, VetiverTech has installed over 200 solar photovoltaic (PV) systems for homes, schools, hotels and businesses on Mahe, Praslin and La Digue. Our PV modules and inverters are exclusively made in Germany and meet the highest quality standards.

We supply and install high quality solar energy systems and solar hot water products in the Seychelles. Our aim is to provide reliable technologies including photovoltaic panels and dependable installation service.

List of Seychellois solar panel installers - showing companies in Seychelles that undertake solar panel installation, including rooftop and standalone solar systems.
