

Singapore eogb energy products ltd

Who is eogb?

Manufacturer & distributor of oil, gas & dual-fuel burners for all applications. Sole UK agent for Baltur. EOGB is a leading manufacturer and distributor of oil, gas and dual-fuel burners from 14kW to 45MW for domestic, commercial and industrial applications.

Who is eogb Energy Products Ltd?

EOGB Energy Products Ltd is an Introducer Appointed Representative (Financial Services Register No. 924854) of Phoenix Financial Consultants Limited (Phoenix). Phoenix is a credit broker, not a lender. Phoenix is authorised and regulated by the Financial Conduct Authority (FRN: 539195), and offers finance from its panel of lenders.

Does eogb offer finance?

All finance subject to status and credit checks. EOGB is a manufacturer and distributor of oil, gas and dual fuel burners including low NOx and low voltage variants for a range of applications, all manufactured to ISO international and quality standards.

Who are eogb boilers?

EOGB has a reputation for providing boiler burners of the highest standards, and is now the preferred supplier to many boiler manufacturers. As well as supplying its own high-performance models, EOGB is the sole UK approved supplier of Baltur oil burners, which all meet ISO international quality standards. Light Commercial and Domestic Oil Burners

Are eogb X series oil burners UK-manufactured?

Light Commercial and Domestic Oil Burners EOGB's X Series burners are UK-manufactured and specifically designed to be used in this country. This means they are built to meet the particular demands both of modern boilers and of kerosene, which is the most commonly used domestic fuel used in the UK.

What makes eogb so special?

EOGB is constantly working to research and develop revolutionary new technology - we have recently unveiled our Sapphire Ultra Low NOx, Domestic Oil Boiler which features a fully modulating operation and blue flame. Above everything, EOGB are passionate about providing the best service for you.
