

Solar container battery manufacturer warranty

Does Solax power offer a warranty on T-bat batteries?

Solax Power warrants that T-BAT will be free of defects caused by improper design, workmanship or defective materials. The warranty is valid for 120 months from the date on which the battery is commissioned by the installer or 6 months after the manufacture date (whichever comes first).

How long is a Solax power battery warranty valid?

The warranty is valid for 120 months from the date on which the battery is commissioned by the installer or 6 months after the manufacture date (whichever comes first). After warranty period, Solax Power has no obligation in providing spare parts/batteries. 5.

What is a home battery warranty?

The home battery product warranty provides coverage if the device shows real defects: in other words, if the battery simply stops working. Most batteries have a product warranty period of 10 years. This means that if anything breaks in the battery in the 10 years from the time of installation, you can seek redress from the manufacturer.

How long is a battery warranty valid?

The performance warranty of the products is valid for 120 Months from the date on which the battery is commissioned by the installer or 6 months after the manufacture date (whichever comes first). This warranty does not include any accessories and tool kit items provided with the product. 2.2. Warranty Limitation

What are the requirements for a battery warranty?

An important condition for the warranty is that the batteries are not exposed to temperatures lower than -10 C or higher than 50 C. The batteries must also have a good internet connection (via the inverter) so that the software always remains up-to-date.

Does zonnefabriek offer a warranty?

We looked at the batteries that Zonnefabriek currently installs (SMA, BYD and SunPower). The home battery product warranty provides coverage if the device shows real defects: in other words, if the battery simply stops working. Most batteries have a product warranty period of 10 years.
