

Solar group duyunov motor Burundi

What is Duyunov's Motors?

'Duyunov's motors' is a project aimed at commercialization of the unique 'Slavyanka' combined winding technology. The technology allows the team of engineer Dmitriy A. Duyunov to design new generation electric motors used in electric transport, industry, agriculture, military sector, aviation, household appliances, medicine and other fields.

Who represents the interests of investors in the project 'Duyunov's Motors'?

The interests of investors in the project are represented by SOLARGROUP. It is an international finance company operating in the field of crowdinvesting. Using the crowd investment mechanism and an extensive partner network, it organizes funding for the project 'Duyunov's motors'.

How is Duyunov's Motors funded?

The project 'Duyunov's motors' is funded by means of crowdinvesting: this means that investments come from an unlimited number of private investors. The investor becomes a co-owner of the innovative business and can count on part of the company's profit by receiving dividends on his share. Any person from any place in the world can invest.

Who is Dmitriy Alexandrovich Duyunov?

Here the team of engineer Dmitriy Alexandrovich Duyunov will develop electric motors using the 'Slavyanka' technology of any complexity, for various applications, according to the customer needs. In 2019, the Moscow government supported the innovative project, recognizing its significance and relevance.

How does OO 'sovelmash' fund the project 'Duyunov's Motors'?

Using the crowd investment mechanism and an extensive partner network, it organizes funding for the project 'Duyunov's motors'. SOLARGROUP is the co-founder of OOO 'Sovelmash' with the 49.5% share. Later on, after reorganization of the enterprise into a public joint stock company, the shares will be exchanged to 'Sovelmash' stock.

When does Duyunov's Motors go to funding stage 18?

On January 1, the project 'Duyunov's motors' goes to funding stage 18! How do I get bonus shares when buying an investment package? The project will soon go to the final funding stage! December 31 is the last day of stage 17 and the profitable current discount on investment shares.
