

# Solar marketplace Nicaragua

How much does solar cost in Nicaragua?

Solar obviously changed our bills, average is around \$10 per month instead of \$150. But even better is we don't notice the power outages anymore. I previously worked with the "best rated" Nicaraguan solar company and the workmanship and professionalism was not even close to Nicamisol's.

Why should I buy a solar system?

It makes your house an overall sound asset that increases in value over time. You won't have to worry about outages. You'll pay less per kW per month. We monitor your system in real time and are able to respond quickly. Solar obviously changed our bills, average is around \$10 per month instead of \$150.
