Solar panel shop Luxembourg

We install complete photovoltaics systems. Discover the best solar solution with our experts to meet your energy needs. We provide thorough surveying services to ensure your solar panels ...

SolarCells is the first producer of photovoltaic panels in Luxembourg, located in Hollerich. We manufacture high-quality panels using European components, certified with IEC standards, offering yields exceeding 400 Wc.

The EU limit for plug-in solar is 800W, usually done with 2 panels and usually around 500EUR. I'm not sure if Luxembourg is already following EU rules and if creos/enovos actually has implemented a process to deal with those systems.
