At Wadi Noor Solar Power Company (WNSPC) our expertise lies in harnessing the sun brilliance to create a sustainable energy future. As pioneers in photovoltaic solutions, we specialize in conceiving and operating cutting-edge ...

More than 1 million PV modules are envisaged for installation over the next several months as part of the Manah I Solar project being developed by Wadi Noor Solar Power Company. "These are bifacial modules capable of generating power from top and bottom faces of the modules," said Eng Yahya al Rawahi, CEO - Wadi Noor Solar Power.

At Wadi Noor Solar Power Company (WNSPC) our expertise lies in harnessing the sun brilliance to create a sustainable energy future. As pioneers in photovoltaic solutions, we specialize in conceiving and operating cutting-edge PV solar plants that convert sunlight into clean electricity.

Founded by EDF Renewables Middle East and Korea Western Power Co Ltd (KOWEPO), Wadi Noor Solar Power Company embodies their joint dedication to advancing solar innovation, driving...

Newly launched Wadi Noor Solar Power Company (WNSPC), the joint venture undertaking the implementation of a new 500 MW solar PV based Independent Power Project (IPP) at Manah in Al Dakhiliyah Governorate, has named Eng Yahya al Rawahi (pictured) as its new Chief Executive Officer (CEO).

Wadi Noor Solar Power Company(WNSPC) is the culmination of a shared vision between two passionate investors who are committed to Oman sustainable transformation and the global journey towards net-zero emissions. Founded by EDF Renewables Middle East and Korea Western Power Co Ltd (KOWEPO), Wadi Noor Solar Power Company embodies their joint ...

At Wadi Noor Solar Power Company (WNSPC) our mission is to support Oman sustainable transformation by harnessing solar energy to achieve net-zero emissions. We are dedicated to advancing solar technology, fostering local talent, and collaborating with communities to create a greener and more prosperous nation.

The power project will use PV (photovoltaic) technology to produce electricity for transmission and distribution in the MIS (Main Interconnected System) grid. The solar power plant will span over 7.8 square kilometers in Oman's Al-Dakhiliyah governorate.

Wadi Noor Solar Power Company (WNSPC) is a solar power company based in Oman. It is focused on developing sustainable and clean energy solutions in line with Oman's vision for 2040. The company recently
