

Starpower europe ag Portugal

Who is Starpower Europe?

StarPower Europe is a successful, dynamically growing company in the field of power electronics. StarPower Europe AG has opened a European R&D Centre at its branch in Nuremberg, Germany. The aim is to research and test new technologies, packages and materials for power semiconductors, in order to develop future generations of models for StarPower.

Where is Starpower Semiconductor located?

StarPower Semiconductor Ltd. is a leading power module company located in Jiaxing China about 59 miles southeast of Shanghai.

What's new at Starpower Europe?

StarPower Europe has revamped its web presence with a number of great new features to improve speed, searchability, multi-device accessibility and usability. Detail StarPower offers a range of Full-SiC half bridge modules in an industry standard 62mm package. [Detail](#)

What modules does Starpower offer?

StarPower expands its bipolar modules portfolio with diode modules from 50A to 600A and rectifier modules from 50 - 210 A. Additionally StarPower completes its 600V, 1200V and 1700V IGBT series with press-fit modules. Detail StarPower offers a range of Full-SiC half bridge modules in an industry standard 62mm package.

What is new in detail Starpower?

Detail StarPower expands its bipolar modules portfolio with diode modules from 50A to 600A and rectifier modules from 50 - 210 A. Additionally StarPower completes its 600V, 1200V and 1700V IGBT series with press-fit modules. [Detail](#)

StarPower Europe is a successful, dynamically growing company in the field of power electronics. StarPower Europe AG has opened a European R&D Centre at its branch in Nuremberg, ...

StarPower Europe is a company focused on the design and manufacturing of power modules for various high power applications within the electronics industry. Use the CB Insights Platform to explore StarPower Europe's full profile.

Find company research, competitor information, contact details & financial data for StarPower Europe AG of Cadenazzo, TICINO. Get the latest business insights from Dun & Bradstreet.
