Who is fanye power?

Founded in 2003, Fanye Power is committed to becoming an expert in integrated energy solutions for optical storage and charging.

Who is Jiangsu fanye?

Jiangsu Fanye Power and Equipment Co., Ltd adheres to the concept that accurate designs lead to the fabrication of superior high-quality solar energy merchandise. Our FLYT products are rigorously tested and have thus far received certified approval from the following international and domestic authorities: ISO, TUV, IEC and CQC.

Why is fanye power focusing on the future?

Currently,as more enterprises focus on reducing their carbon footprints by requiring sustainable supply chain management,Fanye Power has focused on the future by concentrating on technological innovations and product research and developmentin the field of photovoltaic and energy storage.

Our company was founded in 2003 and is headquartered in Shanghai. We specialize in solar cells, photovoltaic modules, power inverters and energy storage systems. We are dedicated to our customers and strive to maintain superior levels of expertise in design, production and sales as the market constantly innovates.
