

Yoyo solar Pakistan

SOLAR Pakistan is the only dedicated platform to bring the latest solar innovations and showcasing the largest solar projects in region providing a unique platform in building partnerships with all government and private sectors in pursuing innovative solutions.

Solar Pakistan will be the biggest energy event in Pakistan to bring together the decision makers, stake holders and concerned authorizes on one platform where they can discuss a way forward on how to move ahead with a plan to control the ever increasing energy deficit in Pakistan.

SOLAR PAKISTAN is the biggest renewable energy exhibition of Pakistan which highlights the immense potential renewable energy industry. The renewable energy industry continues to dominate the overall structural character of Pakistan's economy.

Sky-high power prices are fueling a massive solar buildout in Pakistan. Solar imports from China so far this year have already outstripped imports across all of last year, Bloomberg reports . Panels purchased in 2024 amount to 17 gigawatts of capacity, enough to raise Pakistan's total power capacity by a third.
